

# THE WRITING CENTER FOR GRADUATE STUDENTS

## What is the writing center?

Our instructors will assist you 1:1 in improving your writing: our main aim is to meet with you and give you feedback on your papers, theses, dissertations, oral presentations, or professional writing needs (e.g., proposals, postdoc/grant applications, CVs, cover letters).

## Where and when?

Sign up for an hourly appointment by filing in the [registration form](#) or emailing us at [ha.students@technion.ac.il](mailto:ha.students@technion.ac.il).

Come with your work and meet us in person in the Humanities Building or on Zoom.

## How much does it cost?

Joining the project is **free** of charge. Technion graduate students may sign up for up to 3 free lessons – so sign up soon!

First come, first serve.
